

FEATURES OF OUR BOOKKEEPING SERVICES

01

Accounting Services

Maintaining a full-fledged accounting department is a costly affair both in terms of time and money. So let us do your accounting for you, while you grow your business.

02

Secretarial Compliance

Every business is at least governed by various tax laws like the Income Tax, GST, Companies Act if not Partnership Act, and many more like labor laws, property act, etc. Having to comply with these numerous laws on regular basis could be challenging. Leave this compliance work to us.

03

GST Return Filing

All the GST return filing services by us be it invoice furnishing IFF return, GSTR1, GSTR3 or annual return as per GSTR9 and the reconciliation thereof. Leave your GST compliance task to us and we will do the needful.

04

Payroll Management

Managing your staff ledger and the responsibilities thereof complying with the labor laws on your behalf. We also provide the resulting TDS compliance services.

05

Income Tax Return Filing

Providing you with a complete range of IT advise we offer you timely ITR filing along with any revision and rectification needed to be made in the future. Our focus is to get you the best tax planning practice in the market.

services
